Joint Dual Interprofessional Practice and Education
Distinguished Fellowship Application

Description and Purpose:
The UW Center for Interprofessional Practice and Education (UW CIPE) and the UW–Madison Teaching Academy are excited to announce the inaugural application of the Joint Dual UW CIPE and Teaching Academy Interprofessional Practice and Education (IPE) Distinguished Fellowship. Up to three honorary distinguished fellowships will be awarded to faculty members, academic staff, and professional students in recognition of their excellence in IPE teaching, practice, research, and/or leadership at UW-Madison and beyond. This distinguished fellowship is for 5 years with a possibility for renewal as a life-long UW IPE Distinguished Fellow.

Eligibility Criteria and Requirements:

| 2 | Provide evidence of exemplary achievement and contribution in **two or more of the following** interprofessional areas: practice, education, research, and/or leadership towards addressing/advancing the Quadruple Aim (i.e., improve patient and healthcare provider experience, population health, and costs) | **Indicators of exemplary achievement and contribution:** *The Sustainability, Evolvement, and Diversity of IPE*  
• Applicants are required to demonstrate how their achievements and contributions over the past few years have helped transform and build capacity for interprofessional health programs/curricula, research/scholarship, collaborative care/services, and/or leadership activities.  
**Indicators of exemplary achievement and contributions:** *The Passion, Leadership, and Advocacy for IPE*  
• Applicants are required to demonstrate how their achievements and contributions have helped transform and build capacity for IPE. |
| 3 | Provide evidence of active engagement and commitment towards advancing IPE at UW through the work of UW CIPE | **Active engagement:** Be involved in one or more of UW CIPE work/activities (e.g., committees/taskforces, competency modules, knowledge exchange series (KES), etc.).  
**Active engagement:** Be currently involved in one or more of the UW CIPE work/activities (e.g., committees/taskforces, competency modules, knowledge exchange series (KES), Interprofessional Health Council (IPHC) Student Organization, etc.).  
**Future commitment:** Be available and willing to commit a minimum of 3-6 hours per month in supporting UW CIPE in two or more of the following:  
• Be a facilitator in the [UW IPE Path of Distinction Program](#)  
• Co/lead two KES Webinars in the next 2-5 years  
• Co-lead/facilitate the educational components of a UW CIPE Badge  
• Co-lead/facilitate a clinical/community placement as part of the Organic Interprofessional Education Clinical/Community Program (OIPEC Program)  
• Be an Advisor/Mentor for an ‘interprofessional student team’ working on their IPE scholarship/research project  
• Co/lead one or more UW CIPE Professional Development opportunities. |

**Application Requirements:**

- **Required Documents and Submission:** The application is [online](#), and consists of:
  - Applicant (and Nominator, if applicable) Contact Information (Full Name, Title, School/Program, E-Mail, Phone).
  - Applicant Status with UW CIPE and Teaching Academy
  - Abbreviated CV (no more than 4 pages) highlighting related IPE work, leadership, research, and scholarship.
  - Cover Letter (no more than 3 pages) in which the applicant highlights their eligibility and qualifications for the Joint Dual Distinguished Fellowship.
    - For those who are applying to become a member of the Teaching Academy as part of this application, they could combine their Personal Statement with the Cover Letter (with a limit of max 5 pages in total).
Letter of Commitment from program/department director/supervisor for this IPE Distinguished Fellowship.

- For those who are applying to become a member of Teaching Academy as part of this application, this Letter of Commitment would satisfy the requirement of a letter of support from the dean, chair or program director of their school/college or department for their Teaching Academy Membership.

Supporting documents: Applicants are expected to include up to 5 pieces of evidence (e.g., publication, policy brief, letter of support, etc.) to support their application.

- For those who are applying to become a member of Teaching Academy as part of this application, they must also submit the other required information as indicated on the Teaching Academy nomination website.

2021 Application Timeline:

- **Online Application:** Opens May 3, 2021 and closes on September 20, 2021.
- **Application Evaluations:** Applications will be thoroughly evaluated by peer-reviewers, including the Joint Distinguished Fellowship Taskforce from September 21 – December 10, 2021
  - The UW CIPE through its Steering Committee makes the final decisions based on the online application and the submitted documents. The UW CIPE will notify the awardees by late January 2022 through email.

Contact:

Should applicants have any questions and/or need further information about this Distinguished Fellowship, please contact UW CIPE at cipe@wisc.edu.
