

Improvistional Theater for Scientists: Because life isn't scripted

Want to more confidently talk about your work?
Want to improve your presentations?
Want to have some fun while you learn?
If your answer to any of these questions is...

Yes!

Improv4Scientists (Class # 87273) is for you

It is a 6-week, 1-credit course (Medicine 710) based on the Watson/Northwestern Medical Improv Curriculum & work from The Alda Center for Communicating Science

And...

Meets Wednesdays 5:00-7:30

Feb 2– Mar 9 in WIMR 7001A
