aka **GIG**

Geriatric Interest Group

Who is it for?

A student group for **all majors** and **all degree levels** interested in older adults.

What is it?

We explore the full landscape of growing older: physical health, cognitive change, mental health, and social wellbeing, and connect students to the many career and research paths that involve older adults.

Why join?

- Join research projects
- Volunteer with local orgs
- Tour local facilities
- Hear from guest speakers
- Attend conferences
- Network
